Amr Fahmy

AI Consultant & Trainer |
Education & Innovation Expert |
Marketing Leader | TEDx Speaker

With over 12 years of experience in education, training, and cutting-edge AI consultancy, Amr Fahmy has empowered thousands of learners and professionals.

Combining a BSc in Computer Science with advanced degrees in Business, Marketing, and Education Innovation (MBA, MA, DBA), Amr bridges the gap between technology, business strategy, and impactful learning experiences.

Amr's expertise spans roles as an AI Consultant for Microsoft, Hive Analytics, and Nancy AI, where he guides organizations to unlock AI's transformative potential. As Head of Marketing at REI BlackBook, Amr drives innovative strategies that boost brand growth and customer engagement.

Amr Fahmy is not just an educator or strategist—he's a visionary committed to shaping the future of AI, education, and business innovation.
